## Chief of Staff

Katie Kampf has served as Chief of Staff at the Global Fund since August 2023. She works within the Office of the Executive Director and the Management Executive Committee to enhance coordination and collaboration, reinforce organizational effectiveness, and set priorities across the organization to ensure that the Global Fund delivers on its Strategy.

An experienced leader in global development, government and biopharmaceuticals, Kampf began her career working on health and development projects in Rwanda. She has worked for the United Nations Office for the Coordination of Humanitarian Affairs, the United States Department of Health and Human Services, and the Center for Global Development. At Pfizer, she was the Head of Scientific Planning & Operations and Chief of Staff for Early Clinical Development. Before joining the Global Fund, Kampf served as Chief of Staff for Global Health at the U.S. Agency for International Development, and later served as Deputy Assistant Administrator for the Bureau for Global Health.

Kampf has a degree from Barnard College, Columbia University.
