4. Additional Information

Regional Coordinator for HIV and AIDS, Human Development, South Asia Region, World

Bank, Washington DC, January 2005 – 8 July 2012. Managed the work program of the South Asia Region multi sector HIV/AIDS (SAR AIDS) team, including analysis, policy dialogue and support to country operations in Afghanistan, Bangladesh, Bhutan, India, Nepal, Sri Lanka, Maldives and Pakistan. Task team leader for the preparation of the first national AIDS prevention project, Afghanistan (2007-08) and team member of the second India National AIDS Control Project. Convened, with development partners, several inter country consultations and south-to-south knowledge exchange on HIV prevention with Central, East and South Asia regions, to support capacity building and cross border collaboration, 2006 - 2011.

Team leader for the Third National AIDS Control Project, World Bank India, Delhi, 2009 - 2012. Based in Delhi, leading the Bank's support to the national HIV response in India, including responsibilities for all the fiduciary and technical aspects of the program, strategic partnerships, and south-to-south knowledge sharing.

Team leader for the South Asia Regional Development Marketplace partnership, World Bank (2008 – 2010) on **HIV related stigma and discrimination**, a competitive grants program, financing innovative ideas implemented by 26 civil society organizations and networks, to reduce vulnerability and marginalization caused by stigma in Afghanistan, Bangladesh, India, Sri Lanka, Pakistan and Nepal. The lessons learned were published in *Tackling HIV related stigma and discrimination*, and the best practices shared at Regional Learning Forum, Delhi, March 2010. Multi sector mainstreaming, working with private sector, transport and education sectors, to strategically mainstream HIV prevention and treatment efforts in the region.

Awards and Honors
