

Community, Rights and Gender Regional Platforms

Contact Details

Six regional civil society and community organizations act as hosts for community, rights and gender regional platforms. The CRG Regional Platforms have three strategic objectives:

1. To enhance community knowledge of the Global Fund and its processes, through the regular bi-directional sharing of tailored and targeted information to a diverse audience
2. To strengthen the capacity and coordination of communities to engage in national and regional Global Fund grants and related processes
3. To improve community access to technical assistance through information-sharing, linkage to appropriate providers, support developing requests, and strengthening TA provider capacity and coordination

CRG Regional Platforms are hosted by the following civil society and community organizations:
