Consultancies and Committees *(as applicable)*

June 2012 to Present: Independent Consultant, Winters' Consulting

- April 2020 – October 2020. Evaluation Expert, **Cordaid** (Netherlands Catholic development agency). Evaluation technical expert conducting quality assurance reviews of a multi-national adolescent sexual and reproductive health program evaluation.
- Nov 2019 to Aug 2020. **Euro Health Group (EHG)**. Team Leader of 12 evaluation consultants to conduct the mid-term strategic review of the Global Fund for AIDS, TB and malaria. Commissioned by the independent Technical Evaluation Reference Group (TERG), the strategic review examines the Global Fund's 2017-2022 Strategic plan and provides recommendations for the next strategic cycle.
- 2020 to 2024. Expert on Human Rights and Gender. **Technical Review Panel (TRP)** for the Global Fund for AIDS, TB and malaria (2020 to 2024).
- Sep-Oct 2018. **Oxford Policy Management (OPM)—UNAIDS**, Technical Support Facility. Team Leader to evaluate the Republic of Congo's national HIV programme.
- July 2017-Jan 2019. **Sanitation and Water for All**. Conducted comprehensive assessment of SWA's governance model, including restructuring of its board of directors.
- 2014 -2017. **France Expertise International (FEI)** Madagascar. Provided technical expertise in governance, program management and civil society strengthening for the national CCM. Conducted CCM assessment, led trainings and revised CCM governance manual. Prepared CCM for "national dialogue" for TGF's new funding model.
- 2016. **FEI** Bamako, Mali. Conducted CCM assessment and training of new CCM members.
- 2013-2016. **Grant Management Solutions (GMS)**: Provided technical support on good governance for grant management (**Zambia, South Africa**) including innovative strategies to achieve gender equity and strengthen civil society participation on CCMs. Conducted CCM assessments, trained CCM members, and revised governance manuals in both countries.
- 2014. **Green Climate Fund (GCF)**: authored GCF board policy position paper on Country Ownership.

2013-2015. **Swiss Government Department of the Environment (DEZA)**: Provided counsel on GCF board governance issues.

Consultancies from 1989 to 1995

- Reviewed Pakistan's national HIV counselling program and developed a comprehensive new national plan for HIV/AIDS; conducted a four-day basic counsellor's training. All trainings highlighted gender-specific challenges to counselling and addressing the needs of vulnerable populations. (WHO, Pakistan 1992)
- Developed and implemented an eight-day training-of-trainers workshop for newly formed NGOs implementing HIV/AIDS outreach programs. (Save the Children/USA (Nepal, 1992). Special focus on the relationship of gender to discrimination and increased HIV vulnerability.
- Conducted a six-week international training course in human sexuality, family planning and HIV/AIDS prevention for mid and senior level national program managers. The course focused specific attention on gender roles and sexuality. (Margaret Sanger Center International, New York City, 1993-1998).
- Developed national plan for STI/HIV counseling centers. Conducted a five-day training-of-trainers workshop for counselors. Specific attention on counselling female sex workers. (WHO, Cambodia, 1992)
- Led national strategic review of Myanmar's three-year national plan for the prevention and control of STD/AIDS. Conducted a two-day workshop with the Ministry of Education to form consensus on age-appropriate, gender-sensitive AIDS education curricula. (WHO, Myanmar, 1993).
- Conducted a national review of Bhutan's three-year STD/AIDS plan; Developed strategic objectives for the next three-year plan. (WHO, Bhutan, 1993).
- Conducted a five-day national training-of-trainers workshop for STD/AIDS counsellors focusing on how to communicate with vulnerable and marginalized populations (e.g. MSM, CSWs and IDUs). (WHO, Laos, 1993).
- Designed and implemented a general population KABP survey on HIV/AIDS, including training of interviewers. Conducted data analysis in a follow-up visit six months later. (WHO; Palau, Federated States of Micronesia, 1991)
- Advised the Thai Ministry of Health on "difficult to reach" vulnerable populations, especially female sex workers and gay men. Reviewed and revised national HIV/AIDS prevention program strategies and designed a national KABP survey on HIV/AIDS. (USAID, Thailand, 1989-1990)
- Designed and implemented a general population KABP survey on HIV/AIDS. Project included survey design, pre-testing, a four-day interviewer training and data analysis. (WHO, Kiribati, 1992)
- Developed a one-year strategic plan for STD/AIDS prevention in collaboration with the Health Authorities of Phnom Penh. (WHO, Cambodia, 1991)
