Selected Consultancies

2024: Development of Guidelines for the Design and Implementation of a Pre-referral Rectal Artesunate Intervention at Community Level (for severe malaria in children). Contracted by Transaid UK and funded by Medicines for Malaria Venture.

2024: Independent appraisal of AUS\$ 54.1m Towards Universal Sexual and Reproductive Health in the Indo Pacific (TUSIP) project. Contracted by DFAT, Australia.

2023-2024: Gender, Disability and Social Inclusion (GEDSI) advisor for review of Indo-Pacific project designs funded under DFAT's AU\$ 620 million Partnerships for a Healthy Region funding initiative. Focus on vector borne diseases and HIV/AIDS in 12 pacific island countries and Lao PDR, Cambodia, Vietnam, Philippines, Indonesia, Timor Leste and Malaysia.

2023-ongoing: Member of Global Fund Technical Review Panel, specializing in equity, human rights, gender, community systems strengthening and malaria.

2020-2023: Team Leader for UK Aid funded research project on Impact on Social Inclusion of High Volume Transport Corridors and Human Trafficking in Uganda and Tanzania. Contracted by Cardno Emerging Markets.

2018-2021: Senior Technical Advisor to MAMaZ Against Malaria at Scale (MAM@Scale) Project, Zambia. Led detailed design of community-based rectal artesunate (severe malaria) intervention. Ongoing support in gender mainstreaming, social inclusion, community engagement and district capacity building.

2017-2018: Community Engagement, Gender and District Capacity Building Advisor for the MAMaZ Against Malaria community-based rectal artesunate pilot project in Serenje District, Zambia. Led project design, supported implementation. Funded by Medicines for Malaria Venture.

2014-2016: Senior Technical Advisor, Gender and Community Engagement for More Mobilizing Access to Maternal Health Services in Zambia (MORE MAMaZ), a gender empowerment project focused on increasing women's and girl's access to MNH services in six districts. Led project design and supported implementation. Funded by Comic Relief.

2012-2014: Senior Technical Advisor for Gender, Community Engagement and Knowledge Management, Women for Health (W4H) program, Nigeria. Funded by UK DFID.

2012: Social Inclusion Consultant: Led design of new component (GBP 36 million) of the PRRINN-MNCH program, Nigeria focused on creating safe spaces for young women. The Young Women's Support Group Initiative aimed to increase the access of young, vulnerable women to MNCH services in four states of Northern Nigeria.

2011: Consultant for review of global experience and lessons learned from community monitoring in the context of Volunteer Health Worker programs. Informed design of a community monitoring initiative for iCCM volunteers in Uganda and Mozambique. Contracted by UK Malaria Consortium.

2010-2013: Community Engagement and Gender Advisor for UK DFID-funded Mobilizing Access to Maternal Health Services in Zambia (MAMaZ) project funded by UK DFID.

2009: Gender Advisor to ADB Health Systems Development Project, Lao PDR. Produced Gender and Health Equity Profile of Lao PDR; led development of Equal Opportunities Policy Statement for Health Sector; advocacy on need for national affirmative action to diversify the health workforce.

2008-2014: Senior Technical Advisor, Gender and Community Engagement to £50 million program focused on immunization and MNCH in Northern Nigeria (PRINN-MNCH). Funded by UK DFID and Norwegian State Department.

2002-2008: Social Development and Gender Advisor to UK DFID funded Partnership for Transforming Health Systems (PATHS), a £35 million program funded by UK DFID in Nigeria.

2002-2008: Co-ordination support to Gender and Health Equity Network, funded by Ford, Rockefeller and MacArthur Foundations, IDRC, Sida and DFID.

2000. Social Development Team Leader for review of Banja La Mtsogolo's subsidized health treatment fund, which aimed to increase access of excluded groups to quality reproductive and sexual health services in Malawi. Contracted by Marie Stopes International.

2000. Social Development and Gender Consultant for mid-term review of Save the Children Fund Family Reproductive Health Programme in Ghana. Contracted by DFID.

1999. Social development consultant on multidisciplinary team designing DFID/KfW support to the Government of Tanzania's national Reproductive and Child Health and essential drugs programs.
