### Integration of Additional Public Donors into the Global Fund Governance Structure and Amendment of the Global Fund Bylaws

**Decision Point GF/B38/DP05:**

Based on the recommendation of the Ethics and Governance Committee, the Board:

1. Amends Article 7.1 of the Global Fund Bylaws by deleting the text which states “One Swiss citizen with his or her domicile in Switzerland authorized to act on behalf of the Global Fund to the extent required by Swiss law; and”, and replacing it with the following text: “One representative of the public donors which are not part of a voting donor constituency but have each pledged a contribution of at least $10 million in the current replenishment cycle; and”;

2. Requests that the Secretariat invite the public donors included in the group which are not part of a voting donor constituency but have each pledged a contribution of at least $10 million in the current replenishment cycle to join this new non-voting Board constituency and develop a process for selecting its Board representation in accordance with the Bylaws and the Operating Procedures of the Board and Committees of the Global Fund; and

3. Requests the Donor Voting Group report at the 39th meeting of the Global Fund Board on its revised process for public donor seat allocation, which will ensure that new public donors, who commit to the principles in the Framework Document of the Global Fund and contribute/pledge more than a defined threshold amount for two consecutive replenishment periods, will be integrated into a voting public donor constituency.

2018 Corporate Work Plan and Budget Narrative and the 2018 Operating Expenses Budget

Decision Point GF/B38/DP06:

Based on the recommendation of the Audit and Finance Committee, the Board approves the following:

1. 2018 Corporate Work Plan and Budget Narrative, as set forth in GF/B38/04B; and

2. 2018 Operating Expenses Budget in the amount of up to USD 312.0 million, as set forth in GF/B38/04A- Revision 1 (the “2018 OPEX Budget”), which includes USD 15.92 million for the Office of the Inspector General’s 2018 operating expenses and up to USD 12.0 million as exceptional, one-off impact of the Global Health Campus infrastructure investment.

However, the Board reaffirms the agreement that the total operating expenses over the 2017-2019 period will remain within USD 900.0 million and requires that the Secretariat undertake a comprehensive review of both the operating expense budget for 2019 and the operating expenses required to meet the Global Fund’s strategic objectives, in connection with the presentation of the 2019 operating expense budget.
