

Country Health Expenditure

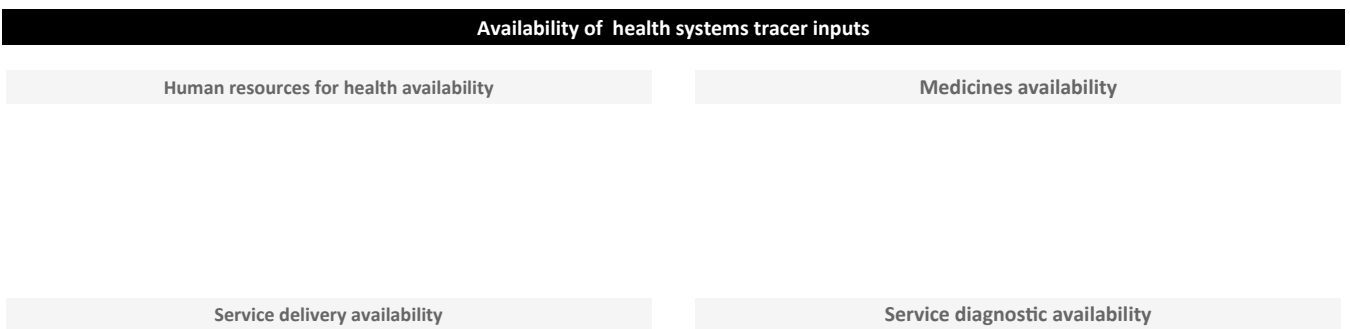

Source: Global Health Expenditure Database (GHED), WHO, 2018. Last year available.

Global Fund Investments on RSSH

Notes: Direct RSSH investments: all interventions in cross-cutting RSSH modules strengthening the systems. Contributory RSSH Investments through disease: investments from diseases interventions supporting the capacity of the systems to deliver quality services. Sources: 2018 - 2020 approved budget.

Health Systems Inputs

Notes: Reference numbers reflect targets set by WHO for Service Availability and Readiness Assessment (SARA) guidelines. Sources: Health Facility Assessments (SARA, SPA), WHO/Global Health Observatory. For each indicator, the most recent available data is included.
