

Pooled Procurement Mechanism Reference Pricing: Insecticides for IRS
version: Q1/Q2 2026

The Pooled Procurement Mechanism (PPM) aims to deliver orders for the listed insecticides for indoor residual spraying (IRS) at or below the Reference Pricing. These Reference Prices should be used for budgeting purposes. Please note that the listed prices correspond to a single unit and per pack. Actual pricing achieved for a grant depends on how early orders are placed by Principal Recipients.

* Wettable powder and water dispersible granules are in non-soluble bags unless otherwise specified.
