

**LIST OF SPATIAL EMANATORS THAT MEET GF QA REQUIREMENTS FOR USE AGAINST MALARIA VECTOR**

**Edition: Version 1**  
**Date: 5<sup>th</sup> June 2026**

The list is a consolidated list of spatial emanators prequalified by WHO Prequalification Program. It is developed as a tool to assist Principal Recipients (PR) of Global Fund grants in procurement.

**Important Note**

This List may be used by Principal Recipients (PRs) of Global Fund grants when considering options with respect to procurement of spatial emanators. The list aims to provide PRs with information that will assist them in their procurement options. Please note that the list is not designed to be a basis for countries to select spatial emanators to replace any applicable and legally required procurement processes. The Global Fund requires its grant recipients to comply with applicable procurement laws and provides the list only for the **identification of products/suppliers that comply with the Global Fund’s requirements**. It is important that the product selected is compliant with the GF requirement criteria ( refer to **Guide to Global Fund Quality Assurance Policy for Vector Control Products and Related Equipment**: [https://www.theglobalfund.org/media/13767/psm\\_qa-vector-control-products-equipment\\_policy\\_en.pdf](https://www.theglobalfund.org/media/13767/psm_qa-vector-control-products-equipment_policy_en.pdf)). Furthermore, the Principal Recipient should not rely solely on the information provided in the list but should obtain evidence of products compliance with the GF requirements. For the above reasons, **we strongly encourage users to ensure they are using the most recent version on our website when conducting procurement**.

Name of Active	Formulations	Manufacturer	Commercial Name	Manufacturing /Storage site	Eligibility Criteria
Transfluthrin	Spatial Emanator (Repellent) / Vapor Releasing product	S.C. Johnson & Son, Inc	SC Johnson Guardian	SC Johnson & Son Kenya Ltd. Outer Ring Rd/Thika Road Junction, Ruaraka Nairobi, Kenya	WHO PQT/VC Ref. P-12643
Transfluthrin	Spatial Emanator (Repellent) / Vapor Releasing product	S.C. Johnson & Son, Inc	SC Johnson Mosquito Shield	Zobebe Industrie Chimiche S.p.A Via Fersina, 5, 38123 Trento TN, Italy	WHO PQT/VC Ref. P-13380

- NOTE:
